Re: One Go Events Benelux BV v. Jam Exhibitions, LLC
07 Civ. 8185 (PKL)
 Our file: 2641002

Dear Judge Leisure:

We are attorneys for plaintiff in this breach of contract action and write to request a short extension of the time to file reply papers to defendant's opposition to our cross-motion for leave to amend the Complaint.

Under the current schedule agreed to by the parties, the reply papers are due to be submitted today. However, the parties are in the late stages of reaching a full settlement, and are currently negotiating the particulars of a draft settlement agreement that has been circulated.

Accordingly, in the interest of efficiency, plaintiff respectfully requests that it be permitted to file its reply papers on Wednesday, January 16, 2008. It is plaintiff's hope and expectation that by that time a final settlement will have been reached and thus, the reply papers will not need to be filed.

We have conferred with defendant's counsel regarding this request, but they have declined to consent to this adjournment, stating only that "[m]y client does not agree to the extension on the briefing."

We thank you for your attention to this matter.

Respectfully yours,
